Sewing Machines.

THE WORLD RENOWNED SINGER

SEWING MACHINE.

OUR NEW FAMILY MACHINE, a Has been over two years in preparation, and which has been brought to perfection regardless; of time, labor or expense, and is now confidently presented to the public as incomparably the best Sewing Machine in existence.

The Machine in question is simple, compact, durable and beautiful. It is quiet, light running and capable of performing a range and variety of work never before attempted upon a single Machine—using either Sile, Twist, Linen or Cotten Thread, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cooling, Tucking, Quilling, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the unique, useful and popular folding tops and cabinet cases peculiar to the Machines manufactured by this Company have been prepared for enclosing the new Machines. These are gotten up in every variety of wood, such as Black Walmut, Manogany, Rosewood, and the like, and from the plainest to the most elaborate pattern and finish—the Machines themselves being more of less highly ornamented of the property of the plainest of the most elaborate pattern and finish—the Machines for which they are intended.

A few reasons why SINGER'S latest improverselves the measure of the subject of the intended.

A few reasons who SINGER's latest improved SEWING MACHINES are the best for Family and General Purposes.

1st. You can sew anything from the finest single thickness of Swiss or Nansook to several thicknesses of the heaviest Beaver cloth, using any kind or size of thread with equal facility, from No. 20 Cotton up to the heaviest patent or Linen thread.

2d. It uses a short, straight needle, easily set, and makes the popular Lock Stitch alike on both sides.

sides.

M. It has an even self-adjusting tension which requires no change f r different thicknesses of material or different size so fitnesd.

4th, It is free from all springs, wires and other compleations, and is almost noiseless.

5th, No threads to hold or wheels to turn in 6th. It does not have to be taken apart to oil sth. It does not have to be taken apart eigen it.

7th. It have perfect feel whereby you can sew the finest materials without having to keep your work streethed to prevent its "puckering," and you never have to assist the work through as in all other machines, sth. It will hem any width, sew a straight seam, or make a "ell in the most perfect manner, with less skill than is required to sew a straight seam on any other machine.

Its attachments for Braiding, Cording, Quilting, Binding, Tucking, de, are novel and practical, and require but little skill to use them.

Carcini instructions given at the house of the purchaser.
